C. P. BRUPBACHER

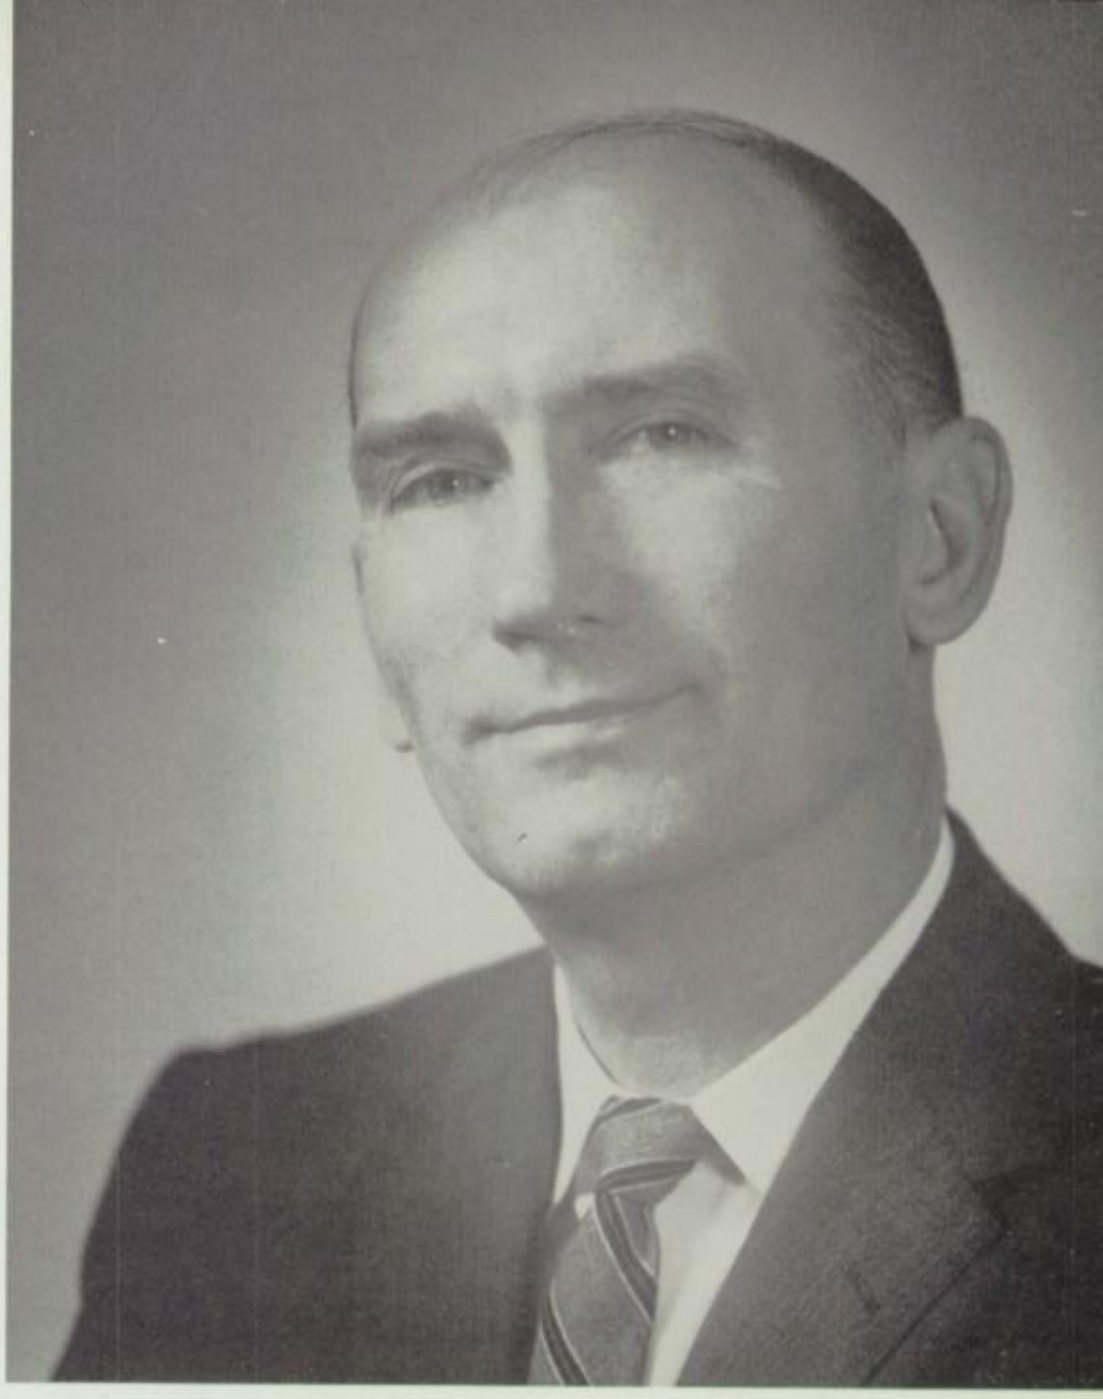
Principal

During his years as assistant principal, Mr. Brupbacher developed a deep respect for the traditions that have made Ouachita outstanding in education. When he assumed the principalship this year, he was determined that these traditions should be preserved and extended. His alert and sympathetic interest in the students and his loyalty and devotion to duty hold much promise for the future of Ouachita.

Assistant Principal

A welcome addition to our school this year is our assistant principal, Mr. Bauer. His ability to understand students and their problems, his sincere love of young people, and his calm, gentle manner have already endeared him to all at Ouachita.

Mr. Bauer's calls keep him busy.



PAUL BAUER

Staff

Helping the principal and faculty maintain a well-regulated school, and providing much necessary information for students is our efficient secretary, Mrs. Willie Mae Wafer.

Also an important part of school life at Ouachita are Mrs. Myrtle Morris, nurse, and Mrs. Elsie Crocker, dietitian.

The ROARER Editorial staff, under the direction of Mrs. Dorothy Hornbeak, is one of the busiest and hardest working groups in the school. Planning the outline and picture schedule, typing copy, writing captions, identifying pictures, and trying to think of original ideas for the yearbook are only part of the year's work.

The ROARER advertising staff, under the direction of Mrs. Sara Hollingsworth is responsible for securing advertising from local business houses and school organizations.

Although both groups are faced with a lot of hard work and many frustrating moments, the staff will admit that the pride of accomplishment and the fun and companionship that goes with this work, make it one of the most memorable experiences of high school life.

Office Assistants

Let's go over that again.

The office assistants are a group of girls who volunteer their study hall time to help in the school office. Their main jobs consist of answering the telephone, delivering messages, distributing mail, running errands for teachers, and checking students in and out of school.

Pelican State, sponsored by the American Legion, acquaints delegates with the rights, responsibilities, and privileges of American citizens.

Delegates elected by their classmates and approved by the faculty attend Pelican State at Louisiana State University for a nine-day session at the end of their junior year.

The students, who are kept busy learning about the elections and duties of city, parish, and state officials, and the holding of conventions, cast their votes for state officers on voting machines at the end of the session.

Although there is much hard work at Pelican State, the girls and boys enjoy many recreational facilities and meet teen-agers from all over the state.

Dear Red or the Head when you bluch:

I have enjoyed D.E. this year when you weren't here. I hope you didn't.

Lots of the same sorry [redacted] luck

Jerry Petch

Dear Mr. Ruppert,

Well, here I am about to graduate and go out into the cruel world. Before I depart, I would like to say D.E. has been an experience of a lifetime. The past two years have meant a change in me (for better I hope.) Anyway, I have learned a lot about people and their work, plus too much classwork.

I hope before long I will see you in Baton Rouge, until then I remain,

Sincerely,

Barbara Hanley
D.E. President 61-62

P.S.

Aren't you glad you got to know me for two years.

Dear Mr. Ruppert,

I have really enjoyed being in your D.E. class this year. At the first of the year I didn't think I would have a very good time but I can say now I had more fun in D.E. than I have ever had in any other class in 12 years of school. Mr. Ruppert you are a very wonderful teacher. Please stay as sweet as you are now and ever one will always end up liking you.

Love,
Sandy Bailey

Dear Mr. Ruppert,

I can't say how much I have enjoyed having you as my teacher this year in D.C. It has truely been an experience for me. One thing I have gotten out of D.C. is a → more consciousness feeling of my spelling. "Ha." I hope this year ahead will be just as much fun as the last. I sure am looking forward to it. 1961-62

Stay happy

Jo Ann Miller

Mr. Ruppert,

I have really enjoyed having you as one of my teachers for these past two years. I know that I haven't been the best pupil you ever had, nevertheless I haven't been the worst. I will never forget the time we got separated from the bus on the way back from State Convention. It wasn't funny to me until we got back and it was over with. I hope that some of your knowledge has rubbed off on me so that I may find "greener pastures" as you have.

Frankie Fontana

Phot. -62-

Mr. Ruppert, enjoyed class but I am glad this year is over. I hope you have better luck next year. Best wishes for a happy, successful summer.

Mr. Ruppert

I want to thank you for my graduation this year. If not for you I surely wouldn't be getting out of school. You gave me the chance, and I will never forget it. You are truly the one teacher I can respect as a person.

Thank you for everything

Tommy

Mr. Ruppert,

I want to thank you for the wonderful experience of your friendship. It has meant much to me.

May you remember me always, and may we always be close friends. God Bless you.

Dear Mr. Rupert.

I would like to tell you that I have really enjoyed being in your class this year. I have had a lot of fun in here this year. You have been, and one of my favorite teachers that I have had in high school.

Remember Me,
Dell Ponsell

He's the most unfair man in the world, I can't say that it's been fun, but it has been interesting. You have embarrassed me everytime you got the chance. Of course, I won't mention what I have done to you. Really you are a great guy & I have enjoyed it. I will never forget you as U.S. You have made a lasting impression (I won't tell you what it is.) Always remember yo. third period class '42.

Elaine
Jones

M.T. Ruppert,

This has been one of the happiest years of my life. I have really enjoyed having you as my teacher. D.C. has been a lot of fun. Although we did work at times, we learned much while participating in the convention.

Remember me.
Dorothy Conville

Mr. Ruppert,

I have enjoyed being in D.E. and having you as my teacher. It has indeed been fun for all of us. May you and your family have the most happiness and Best of Luck. Remember Me and Ours as I struggle to get him then to keep him. Never forget me.

Your Brightest Student,
